

The Home Screen

The Home Screen features a header with a welcome message and a user profile. Below the header is a navigation bar with tabs: **Obs**, Children, Images, Videos, and Search. A dropdown menu for the user profile contains links for **Preferences** and **Log out**. The main content area displays a list of observations, each with a thumbnail, title, date, and author. Annotations with red arrows point to various elements: **Preferences** (dropdown menu), **Log out** (dropdown menu), **Observations screen** (main content area), **List of your children** (Children tab), **Pages with images/videos** (Images and Videos tabs), **Search** (Search tab), and **List of observations** (list of observation cards).

The Preferences Screen

The Preferences Screen is divided into several sections: **Connected Children** (showing a list of children), **Email Notifications** (with a checkbox to receive emails), **Email Address** (with a text input field and a 'Go' button), and **Password** (with fields for new and confirm passwords). Annotations with red arrows point to: **List of your children** (Connected Children section), **Opt in/Out of emails** (Email Notifications checkbox), **Change email address** (Email Address section), **Set new password** (Password section), and **Save preferences** (Save button at the bottom).

Viewing Observations

The Viewing Observations screen shows a detailed view of a specific observation. It includes a thumbnail image, a title, a date, and a list of notes. There is also a section for leaving a reply. Annotations with red arrows point to the **Obs** tab in the navigation bar and the **Add Observation** button.

To view an observation click on the title of any observation in the obs, images or video tab. You can scroll up and down to view all of the content in the observation.

At the top of the screen you have access to the navigation tabs, and can jump backwards and forwards through observations using the arrows to the right and left side of the screen.

This screenshot shows the viewing page for an observation titled "Opening the sandpit". Annotations with red arrows point to the **Obs** tab in the navigation bar and the left and right navigation arrows.

Adding an Observation

The Adding an Observation screen shows the "Obs" tab selected in the navigation bar. The main content area displays a list of observations, and an **Add Observation** button is visible at the bottom right. An annotation with a red arrow points to the **Obs** tab.

Click on the "**Obs**" tab and then on the "**Add Observation**" button.

Adding an Observation cont'd..

sunrise - Add Observation

The screenshot shows the 'Add Observation' form for a child named 'sunrise'. It includes fields for 'Child' (a dropdown menu with 'Please select a child' and an 'Add Child' button), 'Title' (a text input field), 'Created' (a date and time picker set to Friday 20, December 2013, 14:42), and 'Notes' (a large text area). Below these is an 'Add Media' section with a table for file uploads. At the bottom is a 'Save' button. Red arrows with numbers 1 through 6 point to the following elements: 1. 'Add Child' button, 2. 'Title' input field, 3. 'Created' date/time picker, 4. 'Notes' text area, 5. 'Add files' button, and 6. 'Save' button.

- 1) **Adding child/children to an observation:** select children you wish to add to the observation, by selecting them from the drop-down list and clicking the "Add Child" button.
- 2) **Add a title to the observation**
- 3) **Set date and time:** this will be set automatically, however you can change this if you need to
- 4) **Add notes about the observation**
- 5) **Upload media such as photos or video:** click on the "Add Files" button to open a file chooser window. Select you file(s), then click the "Start Upload" button to attach them to the observation.
- 6) **Save:** Click the "Save" button to record the observation

Tapestry For Parents on the Web

Where to find Tapestry

The Tapestry application is accessed by pointing a web browser at:

<https://eylj.org>

Login Information
